

# Internships

## 12th Congressional District Summer Internship Program

College students who live or attend school in the 12<sup>th</sup> Congressional District may apply for internships in my Charlotte, Greensboro or Washington offices. Paid internships are available in the summer. Our summer internship program is a two month program beginning in June.

Please call the Washington office at 202-225-1510 directly for instructions on how to apply for internships in that office.

Applications are accepted from January through March for positions during the following summer. To apply for a position in the Charlotte or Greensboro District office, submit a cover letter, resume and a writing sample (i.e. term paper, article, publication) to the Charlotte office at the address below to the attention of Tawana Wilson-Allen, Summer Intern Coordinator or [Tawana.Allen@mail.house.gov](mailto:Tawana.Allen@mail.house.gov) or call 704-344-9950 for questions.

### Internship Guide

This is our annual publication of internship opportunities within the federal government for undergraduate, graduate and law students. The information contained in this publication was provided by federal departments and agencies at my request and, unfortunately, does not include every available opportunity. Despite this, I hope you will find the information useful.

**Congressional Black Caucus Foundation Internship** Congressional Black Caucus Foundation Internship programs bring the policy making process to life. The nation's capital serves as the backdrop for our internship programs that offer personal, educational, and leadership development. Students leave our programs better prepared to meet the complex

challenges facing current and future generations.
